Race Report: OMA Rnd 7 Council Bluffs Iowa

Rider: Paul Whibley

Team: N-Fab AmPro Yamaha

Bike: Yamaha YZ450 F

Result: 1st

Little late getting this report out but the 18 hour trek home from the OMA took a little time. A blow out in the motorhome on I 74 added to the journey. We limped off the closest exit and pulled into a small gas station in Andover Illinois. I set about changing the wheel but struggled to find the jack. After a while a friendly local who lived behind the gas station came over with his 2 ton jack. Then he went and borrowed his cousin's 3 ton jack when his couldn't lift the motorhome. Anyway with his help we got the job done and were back on the road. Big Thanks. At the track though the racing went well. I grabbed the FMF holeshot and got out to a comfortable lead quickly and was able to watch the gap to the guys behind me. The 8 mile track was half deep sand and half hard pack. Kinda a weird combo but I really had a lot of fun in the sandy part. Some short whoop sections but mostly it was single track that got some nice deep turns.

My lead steadily grew throughout the race and after 2 hours and 20 min I had taken the win along with the Championship for the season. This making my 6th Championship in the OMA series.

Big Thanks to all the supporters and sponsors for their help. All the crew at the N Fab Am Pro Yamaha team and of course Katherine who has her hands full looking after me and little Colton now.
